## Cancellation Policy

Please be considerate and give as much advance notice as possible should you need to cancel services at any time. It is all but impossible to fill that spot – especially holidays – in days or hours beforehand. Of course, it is understandable that we all get sick, weather interrupts our plans, we experience the loss of a family member, or we may just take a day off – but, canceling a few days or hours prior to a scheduled visit may require a 50% non-refundable deposit for any future holiday pet sitting requests.

**Pet Sitting Visits:** We ask that you provide at least one week prior notice for cancellations or changes to your plans.

**Dog Walking Visits:** For those that contract daily dog walking services, 24 hours notice for cancellation of a scheduled walk is appreciated and may waive payment for that visit; for last minute cancellations on the day of a scheduled visit, full payment for that day's service is expected.

## Payment:

**Pet Sitting Services:** Full payment (or the balance of full amount less deposit) is due on or before the first scheduled visit. Holiday Deposits are due at the time reservations are booked in order to hold your reservation. There is no guarantee of schedule placement until your deposit is received.

**Dog Walking Services:** Full payment for all scheduled visits in a given week are due at the time of first visit for that week, unless other arrangements are agreed to in advance.

**All prices include New York State Sales Tax (8.625%).**
